**...and CHRIST Remains the King of
the Universe**

“Then comes the end, when he (Christ) hands over the kingdom to God the Father”. Too many prophets of doom are announcing the end of time, the end of the earth, the end of civilization, the end of the church, the end of humanity and on and on and on.... With this pandemia, so many theories, so many plots, so many global catastrophes and political secret societies....

But Jesus Christ is still in command! He still remains IN CHARGE and no other power can overturn his Kingdom. Actually, he will “hand over the Kingdom to God the Father”. So, he will have the last word on the future of the Universe.

But, while most of the world powers work with fear and destruction, Jesus comes to us as a shepherd. He is here to guide the flock, to protect it from wolves, to provide good food and most of all to share his life with his sheep. His control is out of love and not out of control or domination. He actually offers his life for the salvation of his sheep.

And his law is only a law of love. At the end of the day, only he is asking us to be people of love. And love can change the life of the most barbaric person on earth. Love is the final test in our life: I was hungry, thirsty, naked, stranger and in prison and you took time to help me. All that counts at the end is the love we have shown to others, nothing else!

So, no more fear, but only love which opens up a new horizon of hope for a much better future. Yes, Covid-19 will be over soon, but what did we learn from it? Only Love can change our lives. So if you want to change the world, we have to follow our Shepherd King, who will guide us to new pastures of love and joy. Don't believe anybody else. We have our King and we are happy to follow HIM, wherever He will lead us. He is the only one able to give us life and joy.
