**CHRISTIAN UNITY, THE LAST  
DESIRE OF JESUS**

In the last prayer before his death, Jesus asked the Father one final wish: "That they all may be one, like you and I are one". Probably, Jesus had already a premonition that we Christians would fall into fights and divisions along the centuries. So, if we love Jesus, we have to work for the unity of all those who believe and follow Him.

Division of the Christian Churches happened one thousand (Eastern Churches), and five hundred (Protestant Churches) years ago, for mostly political reasons. The people of today remain separated even though they have no fault or reason to remain separated. As a matter of fact, very few Catholics know why we are separated from the Protestant or from the Orthodox. Actually, we have no reason to be separated today.

It is true that we have grown apart and as a consequence developed different ways of believing and different ways of worship. But this is precisely the reason why we have "ecumenism"; by knowing one another better, we will be able to accept one another better and begin to get closer, as Jesus had asked us.

The theme of this year's "week of prayer for Christian Unity" is: "Abide in my love and you shall bear much fruit" (Jn. 15:5-9). We can love one another, even if we are different from one another. There are three levels of unity: unity of love, unity of action, and unity of belief. Certainly, we can have a unity of love; we all are united in the love of Jesus. If we are all embraced by Jesus, that means that we are already united with one another. Certainly, we can have a unity of action, by doing works of charity together with those in other religions, especially if they have the same values and believe in the same Jesus. Finally, we pray that we come to a unity of "theology" and understanding of the same faith; but already we are united in two thirds of our existence as Christians.

Ecumenism (sometimes misinterpreted as lack of fidelity to our traditions) is an obligation of all Christians, if we want to respond to the last wish of Jesus: That all may be one!

## THE YEAR OF ST. JOSEPH

One of the main activities for the "Year of St. Joseph" will be the preparation and celebration of the CONSECRATION to St. Joseph, both individually and as a family.

The actual celebration will be on March 19, 2021 feast of "St. Joseph Patron of the Universal Church"; we will prepare with 33 days of special reflection on the life and virtues of St. Joseph, which will start on February 15, 2021. There will be a video conference each day and on Saturday morning we will share the content of the whole week together (either in person if possible or in zoom).

You need to register, because we have to buy a book that goes with it, which we have to order from the US. The cost will be \$25. CAN.

Just send an email to: [office@stcatherine.ca](mailto:office@stcatherine.ca) or call by phone (905) 272-1454. Thanks.

## SUNDAY OF THE WORD OF GOD

By the expressed desire of Pope Francis, today we also celebrate the third Sunday of the Word of God. Something new, but so important in the life of all Christians. We may think that the Protestants are the "Christians of the Book" and we Catholics are the "Christians of the Eucharist". In reality, both are both; both Catholics and Protestants are Christians of the Word and of the Eucharist.

When we go to Mass we always celebrate the Word of God and then the Eucharist. But the Pope wants us to get closer to the Word of God on a daily basis. As much as we need the material food for our body daily, we need the spiritual food for our soul daily. St. Jerome used to say: "Ignorance o, is ignorance of Jesus Christ". Bust most of all, lack of the Word of God is equal to spiritual starvation. "I am the vine. You are the branches!"

Many times we are not able to respond to the challenges of our life, because we do not have the light and the strength of the Word of God. If we are interested in our spiritual life, we should approach the table of the Word of God every day. Try it! You will see the difference that it makes in your life.
