THE DOMESTIC CHURCH
(Thanks to COVID-19)

There is no better time than this for building the “domestic church”. This word comes from the Vatican Council II, when the fathers invited us to build inside our homes, a spiritual church.

During this pandemic, many of us have been imprisoned in our houses; we had to spend weeks and months inside our homes, without any physical contact with family and friends and also without the possibility to go physically to church.

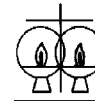

This is a clear sign that God wanted to come to our homes; before we were going to Him, now He is coming to us. So what a beautiful idea to reserve a little space for our own meeting with the Lord; almost like a little chapel.

Maybe you can put a little table with a (safe) candle; maybe a crucifix or a statue or image of the Blessed Mother and maybe some picture or a list of names for whom you want to pray. A good easy chair would be appropriate, so you can relax, pray and meditate.

In the morning as soon as you get up, you may do your prayers and meditation of the word of God; at noon you can do the “Angelus”; at 3:00pm you can do the “Divine Mercy Chaplet” and a reading of a spiritual book; after supper you can do “the Rosary” and your examination of conscience.

When you have a special need, go to your chapel; when you need forgiveness, go to your chapel; when you have to reconcile, go together with the other person to your chapel and ask Jesus’ blessing and forgiveness. Especially with your children or grandchildren, bring them often to your chapel, so that they have the clear idea that God is living right inside of your house.

Maybe this pandemic is teaching us to search for God right inside our homes.
