JESUS GOT UP... and went to a deserted place, **TO PRAY.**

Great example how to take time out for a profound recollection in the middle of many pressing things! Here we have Jesus, who is very busy in his ministry. Early morning, he goes to the synagogue, then he comes home and heals Peter's mother-in-law, then he heals many who came to his door and finally, during the night "while it was still very dark" he gets up, goes out to a deserted place and "there he prayed".

There are many teachings for us today. Do we have some kind of schedule in our daily life? When we get up in the morning, do we have time to meet with our Lord, before we meet with everybody else? If we have the opportunity, do I visit the church or listen to the mass on TV? Do I perform some works of mercy? Do I help anybody? Am I useful for something? Or do I find the excuse of the pandemic to do nothing and waste away my life?

But let me talk to you about the "night prayer". Many of us (seniors) have trouble sleeping at night, or at least we have to get up many times during the night hours. What a beautiful opportunity to pray. The night has a special mystery and sense of silence and freedom, which is very conducive to prayer. We should enter into the habit of saying at least one 'Our Father' every time we wake up during the night. Maybe you can even attempt to say a 'Rosary' during one of the times you wake up. I can assure you that the devil will try to put you to sleep right way, because he does not want you to pray. The rosary can become the best sleeping pill!

We are getting close to Lent. Let us start thinking how we are going to take advantage of this special time of grace.
