THE ASSUMPTION OF THE BLESSED VIRGIN MARY

THE GRACES OF THE ASSUMPTION.

1 - Mary was conceived without original sin. She is the exact replica of the original creation made by God the Father. We can only imagine the infinite graces, virtues and gifts that the Lord has filled the heart of this young girl, who was going to be the Mother of his beloved Son. We will never be able to fathom the greatness and beauty of this creature, who is the eternal Mother of God.

2 - Mary was intimately united body and soul to her baby Jesus, who is God. There could not be anything sinful both in the body and the soul of Mary, who was to offer the flesh and human soul to the Son of God. For this she was spared the consequences of Adam's sin of corruption and final death. Even her own will and desires were always united with the will and desires of her son Jesus.

3 - Mary was not only united in body and soul but also in mission and redemption. She went through every single experience of her son. She helped and cooperated in the work of redemption of her son. She is called the co-redemptrix at the side of the cross, together with her son Jesus.

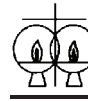

4 - Because she was intimately united to the second person of the Holy Trinity, it was fitting that she would continue being united with Him for the rest of her life. In a way God had already planned for her a place in the highest heaven once that the work of salvation was accomplished. The assumption of body and soul was only the natural conclusion of her mission here on earth.

5 - She is the "Queen Mother" with authority and graces for heaven and earth. Because the exitance of the Messiah has come through her, now all the graces of the Messiah are coming again through her. Not for her own merits but for the divine plan of God the Father.

6 - Through her body and soul now humanity is accepted in heaven, like it was with Adam before the original sin. All members of humanity now have the possibility of entering into the eternal kingdom of heaven; the door of heaven is now open for all humanity.

7 - She is the "bride coming down from heaven" the image of the Church, the bride of the Lamb. Such an existential union between the divinity and the humanity, accomplished in the incarnation of Jesus has become possible only through the body and soul of Mary.

8 - Assumption is also a guarantee for us; the new heaven and the new earth are already fulfilled in Mary and become visible in the Assumption. Now she is in heaven to intercede for us as mother of Christ and mother of the Church, the body of Christ.
