**“But from the beginning of creation,
God made them male and female”.**

Marriage, what a beautiful heavenly reality! We humans are called to share the same reality of love of God. Since God has made us in His own image, He is giving us the opportunity to experience the extreme beauty of His love in the relationship of a man and a woman.

Marriage is the greatest symbol of the Holy Trinity on earth. In heaven there is one God in three persons: Father, Son and Holy Spirit, and on earth there is one family in three persons: father, mother and children. So, the family is called to represent on earth the Holy Trinity of God in heaven. What a calling and a mission!

Maybe we Christians have missed our privilege to share with the world this great vocation to love, which God has implanted in every human heart. Maybe we have allowed the dark forces of evil to destroy this heavenly gift, which offers us the possibility of experiencing the love of God even here on earth, through the great gift of Holy Matrimony.

The spousal love is the highest form of love we can find here on earth. The spousal love is an “unconditional” love, exactly the same love, that we find and share from God. When love becomes totally unselfish and unconditional then we are closer to experience the real love of God. And this quality of Love is not limited to the married couple alone, but from them it has to spread to the whole family, to the whole society and to the whole Church. That is why the Church needs the sacrament of Marriage, in order to bring down from heaven the true love of God and spread that type of love to the whole world. That is the holy mission of the Christian sacrament of marriage for the world. If we do not fill the human heart with the gift of God, the world will find other ways to fill it with its selfishness and sinful ways of life and love.

It is up to us Christians to renew the spousal relationship between men and women with a poring of the divine love which comes from the Sacrament of Matrimony.
