ASCENSION: WHY IS IT A GREAT FEAST?

- Ascension is the completion and conclusion of the work of redemption of Jesus, bringing human nature back to the family of God in heaven. His work would not have been completed had He not brought us back to the Father.

- Ascension is the re-opening of the door to heaven, closed by the original sin. The Garden of Eden remained closed till the day of Ascension, when it was re-opened for Jesus, who brought with Himself the renewed human nature. He has restored our humanity to the original creation of God the Father.

- Ascension is the re-unification of the human nature, created by God Himself with the divinity, inside the Trinity.

- Ascension is the guarantee of the coming of the Holy Spirit. "It is good for you that I go" said Jesus, because now the door is open for the third person of the Holy Trinity to come down to continue the work of sanctification of humanity through the Church.

- Ascension is the seating of Jesus at the right hand of the throne of God. He is not in charge of all the affairs pertaining to humanity. To be seated at the right hand of God, means to be his "prime minister".

- Ascension is a guarantee that we have a place in heaven. It is almost like having a passport for heaven; we have a number, we have our own apartment in heaven. And Jesus is also paying the rent! "I go to prepare a place for you and I will come back to bring you with me".

- Ascension is the prelude of Jesus' coming in glory. The next step for Jesus is to "return in glory" at the end of times. As soon as Jesus disappeared in the clouds, the angel told the disciples: "You will see Him descending from the clouds as you have seen Him ascending".

Even though the feast of the Ascension does not receive much importance in the liturgical calendar it has a great importance for our destiny. First of all Jesus is showing us the way to heaven. Secondly it is a guarantee that we have secured a place in heaven. Finally, that our human nature is now linked with divinity, as it was originally meant in creation. And now we wait for Him coming in glory, first when He will come individually to each one of us with the calling of death and then universally at the resurrection of the bodies at the last day. So we have a great time ahead of us.
