## THE MOST HOLY TRINITY

The readings for the Trinity Sunday affirm that we are members of God's family and that God desires the whole world to be united into his relationship of love. The second reading tells us that we are truly God's children. In the gospel Jesus tells his followers to baptize in the name of the Father and of the Son and of the Holy Spirit.

Trinity Sunday reflects on the nature of God as three persons in one essence and the relationship between God and believers. Here are some themes from the readings of this day:

**God's singular might and choice:** Moses reflects on God's unique acts for Israel, emphasizing His unmatched power and choice of Israel as His people. This underscores the uniqueness and sovereignty of God.

**Identity and inheritance in Christ:** Paul speaks about believers being children of God, led by the Spirit. This shows the intimate relationship believers have with God, highlighting their identity and inheritance in Christ.

**Great Commission:** Jesus commands His disciples to teach and baptize all nations, emphasizing His authority and continuous presence. This directive, known as the Great Commission, calls for spreading the Christian faith globally.

**God's continual presence:** The promise of Jesus' continual presence underscores His unending support and guidance to His followers in their mission.

**Unity in the Trinity:** The readings collectively highlight the unity and diversity within the Trinity—Father, Son, and Holy Spirit—and their cooperative work in the salvation of mankind and the life of believers.

These themes for Trinity Sunday celebrate the mystery of the Trinity and the Christian call to evangelism and obedience.
