The 16th Sunday in Ordinary Time Year A invites us to reflect on patience, growth, and trust in God's work.

Nurturing the Wheat Within

The Gospel for the 16th Sunday in Ordinary Time Year A tells the story of a farmer whose field has both wheat and weeds. Instead of pulling out the weeds right away, the farmer lets them grow together until the harvest. This parable teaches patience and reminds us that good and bad exist side by side in the world and in our own hearts.

We all have moments of kindness and moments of selfishness. At times, we choose love and mercy, but other times, we fall into anger, impatience, or sin. This parable encourages us to focus on growing the wheat within us—the goodness that God has planted in our hearts.

God's Quiet Kingdom

The Gospel for the 16th Sunday in Ordinary Time Year A compares the kingdom of heaven to a mustard seed. Though it starts as the smallest of seeds, it grows into a large plant. This parable teaches that God's kingdom does not come with sudden power but grows slowly and quietly over time.

This parable encourages patience and trust. Even when we do not see results right away, God is still working. A simple act of kindness, a small moment of prayer, or a quiet decision to follow Him can lead to something much greater over time.

Unveiling Hidden Potential

Sometimes, people feel like their efforts do not matter. A simple prayer, a kind word, or a small act of love might seem too small to make a difference. But just like the mustard seed, these small things have the potential to grow into something much greater.

God does not measure things the way people do. He sees the value in every effort to love, serve, and trust Him. What seems small today may have a big impact later.
